Mainsail	84 sq. ft.
Working Jib	99 sq. ft.
Genoa	140 sq. ft.
Storm Jib	40 sq. ft.
Spinnaker	265 sq. ft.

Easily trailed and launched yet fully ballasted down low, where it counts, giving true self-righting to J.O.G. requirements, without excessive all up weight; and powerful racing performance in any weather.

Swing Keel version has maximum weight concentrated at bottom of keel to retain similar righting moment to the Retractable Keel Boomerang.

Accommodation includes four full size bunks, sink, water tank, icebox, ample stowage, and provision for stove, toilet and dinette.

Strongly rigged and fitted to ocean-going standards without compromise.

All mouldings are of hand-laid fibreglass construction.
